

# Route 154 Operational Improvements - Group II

Public Meeting Held on May 29, 2002

SBCAG and Caltrans held a public meeting on May 29, 2002 at the Solvang Veteran's Memorial Building to discuss future plans regarding the implementation of operational improvements on the Route 154 corridor. A report will be presented to the SBCAG board at the July 18, 2002 board meeting in Santa Maria regarding the comments that were received. Below is a map of the planned Group II improvements.
