Meeting Intention: convene a diverse group of stakeholders for our first Climate Resilience Team meeting, so SBCAG can develop a deeper understanding of the most significant vulnerabilities to Santa Barbara County's transportation network. This is the first step to develop strategies that will make our transportation systems more resilient to natural disasters and climate change.

### Agenda:

#### I. INTRODUCTION

- Roundtable Introductions: name, affiliation and role, one highlight of your weekend.
- Conocimiento: a brief activity to help us get to know one another better.

#### II. WHY TRANSPORTATION NETWORK RESILIENCE?

- Presentation - Project Purpose & Need, Proposed Vision, and Goals
- Policy Context & Existing Community Goals/Plans
- Group Discussion - Project Vision & Outcomes

#### III. PROJECT PROCESS

- Presentation and Discussion - Project process, timeline, & Milestones
- Overview of Public Outreach Plan

- *Stretching Break* -

#### IV. UNDERSTANDING TRANSPORTATION NETWORK VULNERABILITIES: INFRASTRUCTURE, IMPORTANT CHARACTERISTICS, & REGIONAL HAZARDS

- Presentation - Overview of Initial Data: Regional Infrastructure, Hazards, & Impacts
- Breakout Group Activity - Identifying Transportation Network Vulnerabilities and Impacts
  - Key Questions: What are the most significant transportation network vulnerabilities you see? How could impacts affect our communities, key services, emergency response operations, and our most vulnerable populations?
- Full Group Discussion: What are the most significant impacts and vulnerabilities you identified?

#### IV. WRAP UP & NEXT STEPS (20 min)

- Stakeholder Engagement: who else should we engage or sit down with for this project?
- Action items recap and next meeting (proposed for week of February 18 - 22, 2019)
