

## **NOTICE OF AVAILABILITY DRAFT EIR FOR 2040 REGIONAL TRANSPORTATION PLAN & SUSTAINABLE COMMUNITIES STRATEGY**

The Santa Barbara County Association of Governments (SBCAG) has prepared a draft Environmental Impact Report (EIR) for the proposed 2040 Regional Transportation Plan & Sustainable Communities Strategy (RTP-SCS). The draft EIR is available for public review and comment. The RTP-SCS is a long-range planning document that evaluates future land use, housing, and transportation scenarios in the Santa Barbara County region, and defines how the region will invest available funding over the next 20 years to meet the region's transportation needs. It also shows how the SBCAG region will meet its greenhouse gas emissions reduction targets set by the State. A copy of the draft EIR may be reviewed in the SBCAG offices located at 260 North San Antonio Road, Suite B, Santa Barbara, CA, 93110. Draft documents are also available for review at public libraries in each city in Santa Barbara County, as well as at the UCSB Library. In addition, the Draft EIR is available online at SBCAG's website: [www.sbcag.org/planning/2040RTP](http://www.sbcag.org/planning/2040RTP).

A public comment meeting will also be held:
