Introduction

This Transit Resource Guide has been developed to assist residents and visitors in using the transportation opportunities available in Santa Barbara County. This guide is a result of the continued work by the Santa Barbara Transit Advisory Committee (SBCTAC) in assisting the public to identify transportation services in Santa Barbara County. This guide is possible due to the collaborative efforts of SBCTAC, the Consolidated Transportation Service Agencies (Easy Lift and SMOOTH), and the public transit agencies (City of Lompoc Transit (COLT), County Transit, Guadalupe Transit, Santa Barbara Metropolitan Transit District (SBMTD), Santa Maria Area Transit (SMAT), and Santa Ynez Valley Transit (SYVT)) in Santa Barbara County. The Santa Barbara County Association of Governments (SBCAG) has produced this guide as a public service.

The Transit Resource Guide is divided by the geographic regions of the County: Santa Maria (including the City of Guadalupe), Lompoc, the Santa Ynez Valley (including Cities of Buellton and Solvang), and the South Coast (including the Cities of Carpinteria, Goleta, and Santa Barbara). This guide is also divided by transportation services: public transit service (fixed route and demand response), commuter service, specialized transportation service, private transportation service (airport connections, bus lines, and taxi service), and rail service.

For more information
To request copies of this guide, or to update the information in this guide, please contact SBCAG at 260 North San Antonio Road, Suite B, Santa Barbara, CA, 93110 or (805) 961-8900 or info@sbcag.org. For the latest version of this guide, visit www.sbcag.org.

How Do I Get from Here to There?

The tables below show which transit services to use to travel throughout Santa Barbara County. If a trip requires more than one service, the services are combined with a “+”. If there are multiple options, the options are separated by a comma. Following each transit service is a page number indicating where to find information about the service in this guide.

The tables include the Clean Air Express and the Valley Express, which are commuter services (i.e., they only run on weekdays during peak hours). The tables also include Santa Barbara Public Health Clinic Transportation, which has restricted ridership.

See also each regional section for additional service options (e.g., demand response service, health service transportation, airport shuttles, Chumash Casino Shuttle, etc.), as well as the Frequently Asked Questions section for directions to some specific locations.

The following abbreviations are used in the tables:

CAE=Clean Air Express
Carp=Carpinteria
CE=Coastal Express
COLT=City of Lompoc Transit
Cuy T=Cuyama Transit
Flyer=Guadalupe Flyer
Guad=Guadalupe
LAS=Los Alamos Shuttle
LPS=Lompoc-Surf
MTD=Santa Barbara Metropolitan Transit District
SB Health=Santa Barbara Public Health Clinic Transportation
SB=Santa Barbara
SLO=San Luis Obispo
SLORTA=SLO Regional Transit Authority
SM=Santa Maria
SMAT=Santa Maria Area Transit
SYVT=Santa Ynez Valley Transit
VE=Valley Express
WCE=Wine Country Express
### Here to There

</table>

Example: To get from Lompoc to San Luis Obispo, take the Breeze (p. 23) from Lompoc to Santa Maria and SLORTA Route 10 (p. 25) from Santa Maria to San Luis Obispo.
Vanpools
A vanpool is a group of seven to fifteen people who live more than twenty miles from work and commute together on a regular basis in a van. Some vanpools are company sponsored, others are rented month to month, and some are owned by the drivers. Traffic Solutions can help commuters join or form a vanpool.

Phone: (805) 963-SAVE (7283)
Website: www.trafficsolutions.info/vanpool.htm
Address: 260 N. San Antonio Road, Suite B
          Santa Barbara, CA 93110
E-mail: info@trafficsolutions.info
Fax: (805) 961-8901

Most commuter vanpools are not wheelchair accessible.

Specialized Transportation Service

Ag Van Program
The County of Santa Barbara, utilizing State Agricultural Worker Transportation Program (AWTP) grant funds, operates a vanpool program for agricultural workers in the north county area. The vanpools are driven and operated by volunteer agricultural workers who must
Countywide Transportation Services

meet several qualifications. SMOOTH, Inc. is the service provider for the program.

Phone: (805) 922-8476
Address: Ag Van Program
c/o SMOOTH
240 E. Roemer Way
Santa Maria, CA 93454
E-mail: smoothinc_@hotmail.com
Fax: (805) 928-3846

Vans are not wheelchair accessible.

American Cancer Society

The American Cancer Society assists ambulatory cancer patients with ground transportation to and from cancer treatment. Transportation is provided by volunteers.

Phone: 1-800-ACS-2345 (227-2345)
Website: www.cancer.org/asp/search/crd/crd_global.asp
Service Area: Countywide
Eligibility: Cancer patient, ambulatory
(One additional passenger per patient permitted if assistance is required.)

American Cancer Society Transportation assists ambulatory patients only.

American Medical Response (AMR)

AMR is a door-to-door medical transportation company.

Phone: Ambulatory/Wheelchair: (866) 889-8422
Gurney: (805) 688-6550 x113
Website: www.amr.net
Service Area: Countywide

Wheelchair and gurney services are available.

**S.O.S. (Serving Our Seniors) Driving Services**

Phone: (805) 569-1214
       (805) 259-5078

E-mail: savedby1god@cox.net

Service Area: Southern California

Eligibility: Although serving seniors is the priority, the service is open to anyone who needs transportation.

Vehicles are not ADA accessible, but passengers able to exit their wheelchairs and sit in a seat may bring their wheelchairs along.

---

**Private Transportation Service**

**Chumash Casino Shuttle**

Eligibility: Passengers must be at least 18 years old. All shuttle passengers presenting a Club Chumash Players Club card with a valid personal ID will be provided with preferential boarding and seating. Others will be permitted to board afterward with a valid ID if further seating is available, but will not be permitted to board a return shuttle before signing up for a Club Chumash Card.

Phone: 1-800-CHUMASH (248-6874)

Website: www.chumashcasino.com/infodesk/shuttleschedule.cfm

E-mail: customerservice@chumashcasino.com

Chumash Casino Shuttles are not wheelchair accessible.
**Airport Connections**

*LAX = Los Angeles International Airport*

**Central Coast Shuttle Services** (to LAX)
Phone: (805) 928-1977
       1-800-470-8818

Wine Country Express:
- On the bus (exact fare required)

What about transfers?
If you need to ride more than one bus to complete your trip, ask for a transfer *when you board* the bus. Most agencies allow for free transfers between buses within the agency (e.g., between MTD Route 8 and MTD Route 2) and some agencies allow for free transfers between agencies (e.g., between Breeze and COLT). Simply ask the driver when you board.

Can I take my bike on the bus/train?
Amtrak:
- Bicycles may be
  - stored onboard in bike racks (space is limited and not available on all trains)
    - Call 1-800-USA-RAIL (872-7245) to check availability
    - Reserve space early
    - A fee may be charged
  - checked as baggage in a box or other secure container (not all stations or trains have checked baggage service)
    - Call 1-800-USA-RAIL (872-7245) for more information
FAQ

- A fee may be charged
  - checked as baggage secured by tie-down equipment, not in a box (not all stations or trains have checked baggage service)
  - Call 1-800-USA-RAIL (872-7245) for more information
  - A fee may be charged
  - folded (if applicable) and brought onboard as carry-on baggage (availability varies)

Breeze:
- Bicycle racks are available on all Breeze buses. Each rack can carry three bikes at a time on a first-come, first-served basis. The Breeze will make every effort to accommodate additional bicycles. Load your bike in less than 25 seconds; just follow the three simple steps displayed on the rack.

Clean Air Express:
- Most buses have bicycle racks, and bikes may be loaded in the cargo compartment.

Coastal Express:
- All buses have bicycle racks, and bikes may be loaded in the cargo compartment.

COLT
- Many COLT buses feature easy-to-use bicycle racks.
- Motorized bicycles or bicycle trailers are not permitted on COLT bicycle racks or inside buses.
- Bicycle lockers and bike path maps are also available. Call 875-8266 for details.
- Drivers do not load bicycles.

Greyhound:
- Bicycles may be checked as baggage. One (1) piece of baggage is checked free of charge for adults and children. Bicycles must be
packed in wood, canvas or other substantial container, and securely fastened.

Guadalupe Flyer:
- Yes.

Guadalupe Shuttle:
- Yes.

Los Alamos Shuttle:
- No.

MTD:
- Bicyclists simply load their bikes on easy to use bicycle racks mounted securely to the front of all MTD buses. Easy to follow instructions are posted directly on the racks. There is no extra cost for using the Bike & Bus program. Visit www.sbmtd.gov/BikeBus.htm for more information.

SLORTA:
- All buses have front and rear external bicycle racks. Bicycles can be boarded at any bus stop.

SMAT:
- All SMAT Busses are equipped with bike racks designed to transport two bicycles. Additional bikes may be stowed inside the bus if space allows.

SYVT:
- Yes.

Valley Express:
- Bicyclists simply load their bikes on easy to use bicycle racks mounted securely to the front of all MTD buses. Easy to follow instructions are posted directly on the racks. There is no extra cost for using the Bike & Bus program. Visit www.sbmtd.gov/BikeBus.htm for more information.
Wine Country Express:
- All buses are equipped with bicycle racks.

Can I ride the bus on holidays?
Some transportation services do not operate on holidays; please contact the service providers for holiday schedules.

How do I get to the Amtrak station?
Buellton (Bus Stop)
- SYVT Routes A and B stop at the Albertsons/Longs Drug Plaza.
Carpinteria
- The MTD Seaside Shuttle (toward El Carro) stops at Linden and 6th.
- The MTD Seaside Shuttle (toward Sandyland) stops at the Amtrak station.
- MTD Routes 20 and 21x (toward Carpinteria) stop at Carpinteria and Elm.
- MTD Routes 20 and 21x (toward Santa Barbara) stop at Carpinteria and Eugenia.
Goleta
- MTD Route 6 stops at Hollister and La Patera.
Solvang (Bus Stop)
- SYVT Routes A and B stop at Solvang Park.
Guadalupe
- The Guadalupe Flyer stops at the Amtrak station. (The Guadalupe Flyer schedule accommodates all but one Amtrak stop during the week and two of the five Amtrak stops on Saturday.)

---

3 All stops listed are ½ mile or less from the Amtrak station.
**FAQ**

**Lompoc (Bus Stop)**
- COLT Routes 1, 2, and 2A stop at I and Cypress.
- COLT Route 5 stops at Old Town and H Street.

**Lompoc-Surf**
- There is no public transit service to the Lompoc-Surf Amtrak station.

**Santa Barbara**
- MTD Routes 5 and 16 stop at Castillo and Montecito.
- MTD Routes 20 and 21x (toward Santa Barbara) stop at Gutierrez and State.
- MTD Routes 20 and 21x (toward Carpinteria) stop at Haley and Santa Barbara.
- The MTD Downtown Shuttle (toward the beach) stops at State and Yanonali.
- The MTD Downtown Shuttle (toward Sola Street) stops at State and Mason.
- The MTD Waterfront Shuttle (both toward the Harbor and toward the Zoo) stops at Cabrillo and State.

**Santa Maria IHOP (Bus Stop)**
- SMAT Routes 3 and 62 stop near the Amtrak bus stop shortly before reaching Marian Medical Center.
- SLORTA Route 10 stops at the Amtrak bus stop.

**How do I get to the Greyhound station?**

**Santa Barbara**
- The Santa Barbara Greyhound station is next door to the MTD Transit Center. Nearly all MTD routes stop at the Transit Center.

**Santa Maria**
- The Guadalupe Flyer stops at Main and Thornburg.
- SLORTA Route 10 stops at the Greyhound station.
- SMAT Route 62 stops at the Greyhound station.
• SMAT Route 2 stops at Depot and Cook, shortly after stopping at Western and Cook.
• SMAT Route 4, two stops after leaving the Town Center Mall, stops within 0.3 miles of the Greyhound station.

Santa Maria IHOP
• SMAT Routes 3 and 62 stop near the Greyhound station shortly before reaching Marian Medical Center.
• SLORTA Route 10 stops at Nicholson and Cypress.

How do I get to the local airport?
Santa Barbara
• MTD Route 11 stops at the Santa Barbara Airport.

Santa Maria
• SMAT Routes 8 and 62 stop at the Santa Maria Airport.
• The Breeze Bus stops at the Santa Maria Airport.

Where do I find out about intercounty transportation?
San Luis Obispo (SLO) Regional Rideshare

Address: 950 County Square Drive, Suite 207
Ventura, CA 93003
What is ADA?
ADA refers to the Americans with Disabilities Act, a Federal civil rights law that ensures equal opportunity for individuals with disabilities. The ADA prohibits discrimination on the basis of disability in transportation, employment, state and local government services, public accommodations, and telecommunications. The law requires that fixed route transportation systems (public transit) be accessible to persons with disabilities. In addition, fixed route transit providers must, in most cases, provide complementary paratransit service (often demand response/dial-a-ride) for individuals who are unable to use the fixed route transit system because of a physical or mental impairment.

How does the ADA define “disability”?
Disability is defined as having a physical or mental impairment that substantially limits one or more major life activities, having a history or record of such an impairment, or being perceived by others as having such an impairment.

What is ADA complementary paratransit service?
Complementary paratransit service is curb-to-curb service that operates at the same time and in the same area as fixed route public transit. Paratransit does not follow fixed routes or schedules.

Who is eligible to use ADA paratransit service?
Individuals eligible to use ADA paratransit service are those who are unable to use fixed route public transit because of any of the following reasons:

- They are unable to board, ride, or disembark an accessible bus;
- They are able to use an accessible bus, but one is not available;
Their disability or condition prevents travel to and from a regular bus stop;
Their disability or condition prevents travel to and from a regular bus stop at a particular time.

Am I eligible for ADA paratransit service if I have a temporary disability?
Individuals with temporary disabilities may be eligible for ADA paratransit service; the eligibility expires at the end of the disability.

If I currently have a handicap-parking placard from the Department of Motor Vehicles, do I qualify under the ADA for paratransit service?
Not necessarily; the criteria for the parking placard are much broader than ADA requirements for paratransit service. The ADA requires certification that an individual has a disability that prevents the individual from using fixed route bus service. Check with your local public transit agency to determine your ADA eligibility.

Am I eligible for ADA paratransit service in other counties if I am eligible in Santa Barbara County?
When you travel outside Santa Barbara County, you are entitled to use any other system’s ADA complementary paratransit service for up to 21 days. As no identification cards are issued in Santa Barbara County, you will need to ask your local transit provider to send a letter to the other transit provider on your behalf. If you plan to be in another county for more than 21 days, you may be required to apply for certification in that county.
When and where does ADA paratransit service operate?
Each public transit provider in the county has different schedules and hours of service. To find out about the complementary paratransit service in your area, refer to the *Public Transit Service: Demand Response/Dial-a-Ride* section of this guide.

Is there any limit on how often I ride or where I go on ADA paratransit?
No, there is no limit on the number of trips provided to an ADA-eligible transit rider. You may ride anywhere within the established ADA service area. Contact your paratransit provider to find out the established ADA service area.

How much does riding ADA paratransit cost?
Each paratransit provider in the county has different fare schedules for service. To find out about the fare schedule in your area, refer to the *Public Transit Service: Demand Response/Dial-a-Ride* section of this guide.

Can a friend or personal care attendant travel with me on ADA paratransit?
Service will be provided to a personal care attendant and, if space is available, to one additional guest. However, the personal care attendant must be registered as such during your certification process.

How do I request a ride on paratransit service?
To find out about the paratransit service in your area, refer to the *Public Transit Service: Demand Response/Dial-a-Ride* section of this guide.
Are service animals allowed on public transit?
Service animals (commonly dogs) are allowed on public transit.

What is 2-1-1?
2-1-1 is an easy to remember phone number for non-emergency information and referral. Transportation (for the elderly, persons with disabilities, and for employment support) is one of the resources available through 2-1-1. 2-1-1 is to health and human services what 911 is to emergency services.

Who do I contact for more information or to get copies of this guide?
Santa Barbara County Association of Governments
Phone: (805) 961-8900
Website: www.sbcag.org
Address: 260 N. San Antonio Road, Suite B
Santa Barbara, CA, 93110
Email: info@sbcag.org
About SBCAG

The Santa Barbara County Association of Governments (SBCAG) was established in 1966 as a voluntary council of governments (COG) through a joint powers agreement of each local government in Santa Barbara County. SBCAG has evolved from a planning advisory body to a regional agency with planning, programming, and operational responsibilities. SBCAG’s role has evolved in response to state and federal regulations that require the designation of a single multi-jurisdictional entity to be responsible for the planning and programming of various federal, state, and regional programs and projects.

SBCAG is an independent government agency with a thirteen-member Board of Directors consisting of a city council representative from each city and the five members of the Santa Barbara County Board of Supervisors.

SBCAG currently serves in the following capacities:

- Metropolitan Planning Organization (MPO)
- Regional Transportation Planning Agency (RTPA)
- Local Transportation Authority (LTA)
- Airport Land Use Commission (ALUC)
- Service Authority for Freeway Emergencies (SAFE)
- Congestion Management Agency (CMA)
- Affiliate Census Center

SBCAG also prepares the Regional Housing Needs Allocation Plan, develops regional growth forecasts of population, housing, and employment, and provides technical assistance to local agencies.
SBCAG maintains a website at www.sbcag.org.

Traffic Solutions

In addition, SBCAG serves as Transportation Demand Management program administrator. Traffic Solutions is SBCAG’s inter-agency Transportation Demand Management (TDM) program. Traffic Solutions promotes and encourages alternatives to driving alone with the goals of reducing traffic congestion, air pollution, and vehicle miles driven, as well as improving the quality of life for employees, visitors, and residents of Santa Barbara County.

Traffic Solutions maintains a website at www.trafficsolutions.info. The website contains information on commute options, transit services, the emergency ride home program, and TDM programs throughout the County. It also contains a web-based carpool and vanpool matching system, commuter cost calculator, and commute calendar.
Senate Bill 498 (1987) required the establishment of Social Services Transportation Advisory Councils (SSTAC) to serve as advisory bodies to Regional Transportation Planning Agencies (RTPA). In 1988, SBCAG, as the RTPA for Santa Barbara County, established the South Coast Transit Advisory Council (SCTAC) as a SSTAC. The purpose of a SSTAC is to assist the RTPA in soliciting the input of transit dependent and transit disadvantaged persons (including the elderly, disabled, and persons of limited means) on transit issues, to participate in the identification of transit needs in the jurisdiction, to annually review and recommend action on the existence of unmet transit needs, and to advise SBCAG on any other major transit issues, including the coordination and consolidation of specialized transportation services.

In 1991, based on the emergence of transit issues in North County, SBCAG established the North County Social Services Transportation Advisory Committee (NCSSTAC) as a transit advisory committee to the SBCAG Board. NCSSTAC advised the Board on North County transportation issues, including review and recommendation of the Social Services Transportation Action Plan and Inventory Update and the Transit Needs Assessment. NCSSTAC was not established as a SSTAC, nor was it a committee of SCTAC.

In 2003, based on state law, the emergence of intercommunity transit services, and public input, the SBCAG Board approved the establishment of the (one countywide) Santa Barbara County Transit Advisory Committee (SBCTAC). SBCTAC performs the SSTAC responsibilities, is composed of a membership in accordance with TDA §99238(a) and §99238(b), and consists of equitable North County and South Coast
About SBCTAC

representation. SBCTAC holds regularly scheduled meetings that are open to the public in compliance with the Ralph M. Brown Act.
