Dear Mr. Le:

This letter serves as notification to Caltrans and the FHWA of Administrative Amendment #13 to SBCAG's 2025 FTIP. Pursuant to the authority delegated by Caltrans, minor modifications to the 2025 FTIP will normally be handled as administrative modifications and may be approved at the discretion of the SBCAG Executive Director. I have given my approval to this administrative modification that makes the following changes to the projects described below which is consistent with the requirements in 23 CFR 450:

Administrative Amendment No. 13 to the 2025 FTIP will program the following changes:

 San Jose Creek Multipurpose Path - This amendment will move Reconnecting Communities Pilot program funding to Fiscal Year 25-26. Note that Advance Construction has been approved for this project.

The 2025 FTIP remains financially constrained, meets air quality conformity, and does not interfere with the timely implementation of Transportation Control Measures contained in the State Implementation Plan.

If you have any further questions regarding this amendment, please contact Jaquelin Mata of my staff at (email: Jmata@sbcag.org).

Sincerely,

Marjie Kirn

Executive Director
